Points Breakdown

- Win = 10 pts + goal differential (i.e. 4-2 victory earns 10 pts + 2 pts for differential = 12 pts).
- Tie = 5 pts for each team.
- Shutouts = 1 pt
- Loss = 0 pts
- Max points to a team per game is 21 points.

Note: There will be no overtime periods during pool play games ending in a tie. At the end of regulation during pool play each team is awarded 5 pts. In the case of 0-0 tie at the end of regulation each team gets 6 points. 5 for the tie plus 1 for the shut out.

In the event that teams are tied with the same point totals, the following tiebreakers will be used to determine the highest Seed:

1. Head-to-head record (when applicable).
2. Overall record (i.e. 2-1-0 team will be seeded higher than a 1-0-2 team).
3. Least Goals against.
4. Most Goals For
5. Team Shutouts
6. Coin Flip

Playoffs: Playoff bracket is single-game elimination.

In the event of a tie at the end of regulation in the Mens B, C, D, Nov, Womens B and Coed B pool during a non-Finals elimination game there will be one additional sudden-death overtime time period consisting of 5 minutes in length stopping only in the last minute. OVER TIME IS PLAYED 4 vs 4

In the event of a tie at the end of regulation during a Mens A, Womens A and Coed A playoffs there will be one additional sudden-death overtime time period consisting of 5 minutes in length, except Mens and Womens A Semi-Finals games where it will be 10 mins. OVER TIME IS PLAYED 4 vs 4

If a winner is not determined during the overtime period, a 3-man shootout will take place to determine the winning team (highest seed has choice of when to shoot). If a winner has still not been determined at the end of the 3-man shootout, each team will select a lineup to participate in a sudden-death shootout. The lineup will be equivalent in length to that of the smallest active roster of the two team participating (i.e. if one team has 10 players and a goalie active for the game, while another has 13 players and a goalie active, each team will select 10 players [lowest active roster] to participate). After the first 3 participants have taken a shot and if the score is still tied all players (including the three that have

already shot) will be eligible to shoot. The teams must use all eligible players before returning to the top of the roster. The shootout will continue until a winner has been decided. If the shootout is in Coed it will be guy/girl/guy/girl until the team with the least amount of girls has had every girl shoot at least once.

For all Finals games a full-length overtime will be played until a winner is determined.

General: If the ball is shot into the protective netting surrounding the rink and falls back into play without obstruction, it is to be considered a live ball. If the ball hits the ceiling, player bench area, fixtures or anything other than the protective netting, or is completely shot out of play, a face-off will ensue.

Floating Blue lines and icing are in effect

The ball going through the crease does not negate an icing call.

If an icing causes the stoppage for a delayed penalty the faceoff is still deep in the shorthanded teams zone.

Once the faceoff has been established no line changes will be allowed. A team will be given a warning for first offense and each additional attempt will result in a delay of the game

The raising of the stick above the shoulder area is a minor penalty if contact is made with another player or an attempt at the ball is made unless contact is made in the eye area then it is an automatic 3 minutes major and ejection from the game. The exception to this rule is for windups, follow through on shots, calling for pass-as long as your stick doesn't hit another player and is under control.

Hockey sticks deemed unsafe (sharp edges, splinters, etc) for play can be removed at refs discretion. If stick is used again it is one minute delay of game.

Intentional Off-sides will be called in the event that a player on the rink intentionally touches the ball for the purposes of stopping the play while off-sides. In such an event, the ensuing face-off will take place deep in the offending team's zone.

All offside face-offs will be from where the offside pass originated. An example would be if a player in the defensive zone passes to a player offside's in the offensive zone the faceoff will go to the nearest circle in the defensive zone not center ice.

Mercy Rule is in effect. If, at any point in a game, the score reaches a 8-goal differential (i.e. 8-0) the game will end with the leading team being declared the winner. If final is 8-0 team with 8 goals will be rewarded a total of 19 points.

If the defense joins an altercation below the faceoff dot in the offensive zone the ensuing faceoff will be outside of the zone regardless of the reason for the stoppage

Penalties: We will play a hybrid of Dek and Ball hockey rules. If rules are not listed specifically on this list then we will follow the rules located on the coolhockeyevents.com website.

When there are coincidental penalties the game will be played 4 vs. 4

All standard penalties (i.e. slashing, hooking, etc.) will apply.

Minor Penalty = 1 minute stop clock

Double Minor Penalty = 2 minutes stopped clock

Major Penalty = 3 minutes stopped clock

Misconduct = 5 minutes (for misconduct towards referees)

Major Game misconduct = 10 minutes plus dismissal from the game

Any player receiving a major penalty will be assessed a 10-minute game misconduct penalty, which will result in an ejection from the game. Another member of the player's team will be required to serve the major penalty.

Any player receiving a major penalty for fighting or a major penalty for the intent to injure will automatically be ejected from the tournament and facility.

Any player being assessed 3 penalties in a given game will be ejected from that game. If this happens twice in the tournament the player will be suspended for the next game

Any player who receives 2 misconduct penalties in the tournament will be suspended their next game and face possible ejection from the rest of the tournament

Abuse of officials from the bench area will result in a automatic 5 minute misconduct. If misconduct penalty is assed to coach he will be immediately ejected from the game. Any verbal abuse of an official from players will not be tolerated. All abuse of official misconducts will be reviewed by the tournament directors

If the situation arises that a team has to forfeit in a regulation game the winning team will receive 12 points. A 1-0 for 11 points plus 1 for the shut out

Equipment: Each team will be required to have MATCHING jerseys/t-shirts with numbers located on the back of each. Matching means same color throughout and

matching crest and numbers. Teams can not use a new crest design with an old crest design and pass off as matching. Teams should bring both a light and a dark set of jerseys/t-shirts in the event that two teams have similar jersey/t-shirt colors at game time (Prelim games-Coin Flip to determine choice of Jersey color. Playoffs-Higher seed gets choice. Back up jerseys have to be same color but do not have to match.

All individual players are required to have full-fingered gloves

Players under the age of 18 will be required to wear HECC-approved hockey helmets with full-face protection (i.e. cage or shield).

The following protective equipment is highly recommended, but not required:

- Approved Eye protection (i.e. goggles or half-shield), Mouth guard, Pelvic protection, Elbow pads, Hip pads

****Players not wearing the “required” protective equipment will not be allowed to participate **Players NOT wearing the “recommended” protective equipment do so at their own risk.**

NO TEAM MEETINGS AT THE NET BETWEEN PERIODS, must be done at the bench

UPDATED RULES

Mercy rule is now 8 goals and max points a team can achieve per game is 19 (8-0 includes 1 point for shut out)

There are no line changes on icings for the team that iced the ball

Any player who puts their Glove to the opponents face will automatically be assessed a double minor unless ref deems more severe penalty appropriate

The last minute of every period stops regardless of score
